To: Fiona Brand
Re: Your Exchange to the U.S.

Dear Fiona,

Congratulations! We are pleased to inform you that you have been accepted to NWSE's exchange program to the U.S. for the Academic Year 2026/2027!

Your American hosts will be the Schluter family. They live in Azle, in the state of Texas. The Schluter family is excited to welcome you into their home, and we encourage you to contact them as soon as possible. They are eager to hear from you and share with you their thoughts about your upcoming exchange!

Please find the following materials attached to this e-mail:

- ❑ Information about your host family, school, community, arrival airport, and travel dates
- ❑ Your Host Family's Application and photos
- ❑ The contact information of your local NWSE Area Coordinator

In addition, the following materials are attached via the link in your email:

- ❑ Your NWSE Student Handbook
- ❑ Information about your host state and the U.S.
- ❑ Suggestions for your packing list

Please be sure to read the NWSE Student Handbook carefully. It is designed to help you prepare for your stay in the U.S. and describes the rules of the program.

To allow us to finalize the necessary arrangements for your exchange, please complete and return to our office the following items as soon as possible, preferably by e-mail:

- **Form D: Flight Information (attached in the email link)**
- **Copy of your e-ticket or plane ticket***
  ****Please note that some airlines, such as United Airlines and its partner airlines, now charge an additional "unaccompanied minor" fee for passengers who are 15 years old or younger. Before booking your flight, please contact the airline to check if such a fee will be required.***

If you need to transfer to a connecting flight after you have arrived at your first airport in the U.S., we strongly recommend that you allow at least 3 hours in your flight schedule to do so. Upon your arrival at the first airport in the U.S., you will need to go through U.S. immigration, pick up your luggage to go through U.S. customs, and then re-check your baggage to your final destination. The whole process can easily take one or two hours, which may result in your not being able to catch the connecting flight if your first flight is delayed.

Congratulations on being accepted to the NWSE program! We look forward to welcoming you to the U.S.!

Best wishes,

Birgit Zischke
